WHO WE ARE

Straight Up Beverages is a locally owned and operated production facility in Buffalo, NY.

Our hand crafted, vintage sodas are recognized as some of the best tasting sodas in the North East.

Our state-of-the-art production facility combines new age technologies with old-fashioned flavors, made with the highest quality ingredients available in the market. We come from the city of good flavors." Enjoy the region's best tasting soda — Straight Up from Buffalo.

OUR MISSION

To bring a craft soda with vintage taste to market in the North East. Our exclusive partnership with Irish Carbonic allows us to bring the total package of equipment, local service, and great taste to your restaurant, bar, fast food place, or anywhere else where customers are looking for a great soda.

We want our customers to be able to provide a great tasting drink to their patrons, while enjoying a local price point that helps their bottom line. This is the ultimate win-win scenario for all of our customers.

We offer a full range of straight-up flavors for your establishment—vintage sodas, teas + mixers... crisp, delicious and refreshing, sure to satisfy customers of all ages.
