## A VINTAGE SODA HAND-CRAFTED IN BUFFALO

When it comes to soda pop, it's all about the taste! We use a 100-year-old family recipe to create a unique, vintage experience that your customers will love.

## LOCAL PRICING

We don't believe in fine print or loopholes. Our local pricing keeps the profits on Main Street instead of Wall Street. Let us show you how our products can benefit your business.

## LOCAL PRODUCTION

Every drop of our soda is produced in Buffalo, New York. Our brand new, state-of-the-art production facility can have the product to your restaurant shortly after you place your order.

## TURNKEY SERVICES

Our exclusive partnership with Irish Carbonic allows us to provide full service for your bar or restaurant. Equipment install, service, delivery and more.

## FROM THE CITY OF GOOD FLAVORS!

Our product is the best around. Don't believe us? Take the Straight Up Taste Test! We will deliver your first order free. No strings attached!
